#### **Reports:**

**President's Report:** Robert Miller noted that this meeting is historical in that it is the last meeting of the Lakeshores Library System Board of Trustees. All of the trustees from both systems along with all of the staff should be proud of the work done to facilitate the merge.

**Administrator's Report:** A written report was provided prior to the meeting. Steve Ohs reported that funding for PLLS, trustee appointments, draft agendas, bylaws and a trustee manual are nearing completion. Vicki Keith's last day in the office was last Thursday after 41 years of service. Jeremy Erickson will be joining the PLLS team, and will start prior to Janice Martin's retirement. Delivery vehicle ownership will be transferred from ALS to PLLS. We are in the process of filing a DBA with the Wisconsin Department of Financial Institutions. Library agreements, a new website and 2023 budget are all near completion. Insurance policies will be updated along with new contracts for youth services (Jennifer Puccini) and inclusive services (Rene Bue) for 2023. The new system will be working with WiLS on strategic planning in 2023.

**LAC Report:** Minutes from the December 6 LAC meeting was included with the agenda.

#### **Regular Items for Approval:**

Richard Goetsch moved and Jeri Sturino seconded to approve the minutes of November 15, 2022 as presented. All were in favor and the motion carried.

### **Unfinished Business: None**

#### **New Business:**

A Resolution of Appreciation and Recognition of Distinguished Service for Vicki Keith's 41 years of service and a Resolution of Appreciation and Recognition of Distinguished Service for Janice Martin's 23 years of service were reviewed. Gary Tilleros asked that the word thoroughness be added to Janice Martin's resolution. *With this revision, Richard Goetsch moved and Jeri Sturino seconded to approve the resolutions. All were in favor and the motion passed. Furthermore, Gary Tilleros moved and Jill Rodriguez seconded to provide a stipend of \$2,000 to System Director, Steve Ohs, in recognition of the work he's done to facilitate the merge of the ALS and LLS systems into Prairie Lakes Library System. All were in favor and the motion carried.* 

Gary Tilleros moved and Brian Broga seconded to approve all expenditures for the remainder of 2022 that conform to the approved 2022 budget. All were in favor and the motion carried. The approximate balance of unassigned reserves from 2021's Financial Audit were \$282,689. It is expected that the 2022 Financial Audit will have a minimum of approximately that same amount. Steve Platteter noted that after the 2022 Financial Audit is completed for Rock County, the ALS reserves will be combined with the LLS reserves to form the reserves for Prairie Lakes Library System. Steve Ohs noted that the new PLLS Board will be asked to approve a policy for their reserves.

At this time, the group was asked to share any concluding thoughts regarding Lakeshores Library System. Robert Miller stated that it has been a pleasure to work with the current and past trustees and the staff members. Richard Goetsch has been on the system board since 1979 when it was just Racine County Library System. He served as President in 1983 and 1984 and then was re-elected to a two-year term in 2001. Richard noted that this merge went much smoother than the previous merge of Walworth County and Racine County into Lakeshores Library System. Several commented on how well the two system directors, their staff and the library directors from the two systems have worked together.

# Richard Goetsch moved and Nat Coffman seconded to adjourn. All were in favor and the meeting adjourned at 4:58 p.m.

Respectfully Submitted,

Janice Martin Recording Secretary

#### Greetings,

A very Happy New Year to all - it is quite surreal to be writing the first Director's report for the Prairie Lakes Library System! I will focus this report on a couple of general categories of information, with the caveat that I'm happy to modify the format of future reports according to your preferences. Given the relatively large amount of business on the first agenda, I've opted to keep this report brief and supply administrative notes in the packet under individual business items.

#### Staff Activities

We have been working on a number of merger implementation-related things, alongside normal operations. Steve Platteter and I have been working on preparing the libraries for 2023, largely with respect to the anticipated creation of a Prairie Lakes Advisory Committee. Steve and I have also been working through the process of transferring ownership of the ALS delivery vans to Prairie Lakes, securing updated auto insurance policies for the vans, setting up a "DBA" for Prairie Lakes, and informing vendors of the change on a rolling basis. Janice is making preparations for the end-of-year audit for the former Lakeshores Library System, and continuing to work on transitioning the Lakeshores financial books into Prairie Lakes. The IT team is largely working on typical activities for this time of year - using the holiday lull to catch up on projects and beginning to plan the annual PC (computer) group purchase we typically begin in February. Tovah is working on library-specific public information work requests, the new Prairie Lakes Website, and other projects.

#### Development of Board of Trustees Agenda and Meeting Processes

With the coming of the merger, we have implemented a board management platform. Our hope is that it will allow us to produce more effective agendas and board packets, as well as to streamline the process of keeping all system board-related documents and planning together in one place. The January agenda was created with this platform, called "Boardable". In lieu of a formally-adopted order of business, we tried to create an initial order of business for the January meeting that brought together the best of both former system board agendas. We're very interested to know if this order of business makes sense, or if we can make any changes that would be better.

Respectfully submitted,

Steve Ohs, Director Prairie Lakes Library System

#### 2023 INTERSYSTEM AGREEMENT Bridges Library System and Prairie Lakes Library System

This Intersystem Agreement is by and between Prairie Lakes Library System (PLLS), and Bridges Library System (Bridges). The purpose of the agreement is to define a policy of mutual use of library facilities and services for all residents of Jefferson, Racine, Rock, Walworth and Waukesha Counties, thus complying with <u>Wisconsin Statutes 43.24(2)(g)</u>. Therefore, Bridges and PLLS agree to the following:

- 1. The Bridges and PLLS member libraries will advocate for provision of library services to any validly registered borrower of any other participating library in Jefferson, Waukesha, Racine, Rock, and Walworth Counties on the same basis as they are available to residents of the member library's home library system, when practicable.
- Borrowers may return materials checked out from libraries to any library in either system, except for special equipment or items clearly marked to return to the library from which they were borrowed. Availability of Interlibrary Loan Services and activity room sign-up to these borrowers shall be at the discretion of individual member libraries.
- 3. If materials borrowed under this agreement are lost or not returned, the borrower's library system may assist the lending library in recovering the materials.
- 4. The systems will maintain records of usage depending on the capabilities of each library's circulation systems. The records will, at minimum, detail use by each town, village and city in the other system. Both systems agree to provide the resulting data if requested.
- 5. The systems agree to assist each other in facilitating cross-county borrowing reimbursement payments of member county funds according to county-approved funding levels. If necessary, the systems will assist each other to ensure that member counties meet their statutory funding obligations under Wisconsin Statutes <u>43,12(1)(b)</u>.
- 6. This agreement shall become effective January 1, 2023, and remain in force until the end of the calendar year. This agreement shall be subject to modification as may be mutually agreeable.

Administrative Recommendation Topic: Appointment of a Prairie Lakes Advisory Committee Date: January 4th, 2023

#### Background:

Each public library system in Wisconsin has an appointed advisory committee comprised of the directors of each member library. Such committees are appointed at the system board level, therefore are required to observe open meetings law-related practices, and procedures. Wis. Stat. 43.17(2m) states the purpose of advisory committees as:

"... to advise the system board about the status and needs of libraries in the system, serve as a conduit of information between the system board and individual libraries in the system and make recommendations to the system board relating to libraries in the system."

Both Arrowhead and Lakeshores had such committees prior to the merger, and the member libraries are expecting Prairie Lakes will establish an advisory committee as well. The member libraries have further indicated that they value having designated liaison persons on the system board and advisory committee. In other words, one system trustee would attend advisory committee meetings ex-officio, and one library director would attend system board meetings ex-officio.

#### Recommendations:

- 1. Motion to appoint a Prairie Lakes Advisory Committee consisting of the director or designated proxy of each member library.
- 2. Appoint one system trustee, by consent, as liaison to the Prairie Lakes Advisory Committee for a term of one year.

# BOARD OF TRUSTEES OF THE PRAIRIE LAKES LIBRARY SYSTEM

RESOLUTION ESTABLISHING THE PRAIRIE LAKES LIBRARY SYSTEM

WHEREAS, Wisconsin's public library systems exist to provide many services to member libraries including technology and resource sharing planning, referral or routing of reference and interlibrary loan requests, electronic delivery of information and physical delivery of library materials, training for member library staff and trustees, consultant services, inclusive services support, youth services support, and backup reference, information, and interlibrary loan services from the system resource library; and

WHEREAS, the former Arrowhead and Lakeshores library systems completed a multi-year process to evaluate the virtues of a library system merger as permitted by the Wisconsin Statutes, make recommendations on the structure and scope of the merged system's activities, and filed a 2023 Library System Plan in accordance with those recommendations; and

WHEREAS, all necessary authorizations have been granted for such a merger, including by the Boards of Supervisors of Racine, Rock and Walworth counties and the Department of Public Instruction;

BE IT THEREFORE RESOLVED that the Prairie Lakes Library System Board of Trustees hereby formally establishes the Prairie Lakes Library System to operate in accordance with Wisconsin law, and all provisions contained therein; and

BE IT FURTHER RESOLVED that the Prairie Lakes Library System Board of Trustees wishes to express deep gratitude to the residents, county officials, library directors, past system trustees, and system staff members who contributed to the ultimate success of this effort.

Signed,

Presiding Officer Prairie Lakes Library System Board of Trustees

# PRAIRIE LAKES LIBRARY SYSTEM

# **2023 CONTRACT FOR**

# DELIVERY of BOOKS, SUPPLIES and CORRESPONDENCE In RACINE and WALWORTH COUNTIES

This agreement is between the Prairie Lakes Library System, hereafter called the System, and Excell Express Messenger, hereafter, the Driver. It is for a five-day-per-week delivery service.

### The Driver Agrees That:

- 1. Should additional stops not specified in the attachment be added, or stops already established be deleted from the route, the contract will be subject to renegotiation.
- 2. Because the delivery service will have unsupervised access to several libraries, all employees will be bonded.

#### The Drive Must:

- 1. Have a Wisconsin Common Carrier's License and maintain it for the term of the contract.
- 2. Vendor shall hold the System harmless against any loss, damages, and causes of action, lawsuits or claims arising out of any negligent or intentional acts or omissions by Vendor or Vendor's Agents or Employees.
- 3. Procure a van large enough to accommodate all material, with backup transportation for all delivery days.
- 4. Be prepared to deliver and pick up materials to and from places specified by individual libraries. In many cases, this requires moving sizeable loads up and down exterior and/or interior steps. Occasionally this may include transporting computer or other large equipment.
- 5. Handle about 1 million plus items annually.
- 6. Carry liability insurance on vehicle(s) of at least \$500,000 with Prairie Lakes Library System an additional named insured. Insurance must be in effect during the entire contract period. Proof of insurance must be provided upon request from the System.
- 7. Make the necessary arrangements for employee benefits and tax liabilities such as worker's compensation, social security, state and federal taxes. The System

will pay a contract amount and shall have no obligation to pay these benefits or liabilities.

8. Delivery stops must be scheduled during business hours, normally between 7:30 a.m. and 4:30 p.m., with due allowance for inclement weather.

## The Route:

1. **Basic Route:** About 20 stops per day with an annual mileage to listed stops of approximately 61,000+ miles. Stops are made at each of the 15 Racine and Walworth County public libraries, Racine Correctional Facility, and Waterford Union High School.

The five days per week must be Monday through Friday.

Delivery service will be cancelled on any holiday for which the System office closes and/or if road conditions are such as to make them hazardous. (Driver must contact the System office when canceling due to weather. When possible, delivery days cancelled due to adverse weather conditions will be rescheduled for the following day). In either case, no penalty will be assessed against the delivery service.

Excell Express Messenger shall consider the implementation of a fuel surcharge as a result of a national or worldwide catastrophe that causes the "Weekly Us On-Highway Diesel Fuel Price" for the Midwest region to exceed \$3.25 price per gallon.

## The System Shall:

- 1. Pay the driver the following amount for his route in payments of the following for a one (1) year contract:
  - 2023 3% increase Pay the Driver \$114,288.00 annually for the basic route and for a 1-year contract period. Payment shall be made in equal monthly installments of \$9,524.00 each.
- 2. Reserve the right to terminate delivery service, for Driver's failure to meet requirements, upon thirty (30) days written notice.

This contract is in effect from January 1, 2023 through December 31, 2023.
