#### c. Budget to Actual Report

Discussion point 1: Regarding the passthrough payments from counties to libraries: The money PLLS has received from the counties has been deposited in the LGIP General Account. When deposited before 11:00 A.M. the funds begin earning interest the day of the deposit. The interest in this account appears in budget line 5-37000. Due to the schedule frequency at which LGIP assesses interest, interest payments appear late the following month and are backdated. Discussion point 2: Budget Line 6-1303 does not yet reflect the board's previous motion to adjust it to match the actual cost of the systems insurance package. Ohs attributed this to the system's plan to present a slate of additional budget revisions at the next board meeting.

Director's Note Subject: Year-One Board Officers Date: January 13th, 2023

## Background:

The Wisconsin statutes require that each library system appoint a president. All other officer positions are optional. Most multi-county federated public library systems in Wisconsin utilize the officer positions of President, Vice-President, and Treasurer. As such a system, I believe this model would provide the Prairie Lakes Board of Trustees with, 1) a chief presiding officer, 2) a backup presiding officer in the case of the President's absence, and 3) a fiscal oversight officer in the Treasurer position. Given there is an immediate need for a set of officers (for example a cosigner for system checks) I believe the requested actions below would allow the Board of Trustees to nominate, appoint, and charge a slate of officers on February 22nd. The definition of comprehensive duties, succession procedures, etc. can then be addressed during the process of drafting bylaws. The process I recommend below would involve a series of motions, but I think it would accomplish a number of important things:

- Formally establish officer positions and fill them.
- Set up a smooth process for the review and signing of checks and payment vouchers issued by Prairie Lakes Library System.
- Designate a secretary that can focus solely on recording accurate minutes.
- Set up a regular cycle of officer terms based on the calendar year.

## **Requested Actions:**

- 1. The Board may pass a motion to establish the officer positions of President, Vice President, and Treasurer for terms ending on December 31st of each year.
- 2. The Acting Chair may then open nominations from the floor for the positions of President, Vice President, and Treasurer.
- 3. If there is only a single nominee for each officer position after nominations are closed, a motion would be in order to appoint the slate of nominees to all three positions.
- 4. Alternatively, if more than one nominee exists for any of the officer positions after nominations are closed, an election would be necessary. This could be accomplished quickly by a simple paper ballot.
- 5. Once officers are appointed, I recommend that the Board pass a final motion to appoint the Treasurer and System Director as cosigners for library system expenditures, and to direct the System Director to appoint a member of the system staff to serve as secretary for the purpose of taking minutes.

Director's Note Subject: Advisory Committee Language for System Bylaws Date: January 13th, 2023

## Background:

The Prairie Lakes Board established a Prairie Lakes Advisory Committee (Advisory Committee) comprised of 22 representatives to advise the Board on important matters. Appointees are the library directors or designated proxies for each member library. Officially, this body is considered a committee of the Prairie Lakes Board. Robert's Rules of Order indicates that committees of a board may not develop their own bylaws unless specifically granted the authority to do so.

The Advisory Committee voted on January 24th to inform the Prairie Lakes Board that they would like to create their own bylaws, and established a subcommittee to begin work on a draft. They have essentially requested that the Prairie Lakes Board grant them the authority to move forward with this.

Given this, I have prepared a section of text below for the Prairie Lakes Board to consider adopting. If found agreeable, approval of the text as printed or with modifications would provide the Advisory Committee with clarity in moving forward. The text could also then be placed into the Prairie Lakes Board bylaws.

### **Recommended Actions:**

1. Approval of the following language as printed (or with modifications) for inclusion in the future Bylaws of the Prairie Lakes Library System Board of Trustees:

"Advisory Committee. A Prairie Lakes Advisory Committee shall be appointed to, among other things, advise the system board about the status and needs of libraries in the system, serve as a conduit of information between the system board and individual libraries in the system and make recommendations to the system board relating to libraries in the system. Appointees to this committee shall be the library directors, or designated representatives thereof, of each member library of the system. The Prairie Lakes Advisory Committee is granted the authority to adopt committee bylaws or committee rules for the purpose of defining procedures related to the implementation of the committee's charge. Any bylaws or rules adopted by the Prairie Lakes Advisory Committee shall be subordinate to any bylaws, policies, procedures, or actions of the Prairie Lakes Library System Board of Trustees."
