

Little Pim®, brought to you by Mango Languages, is now accessible on mobile!

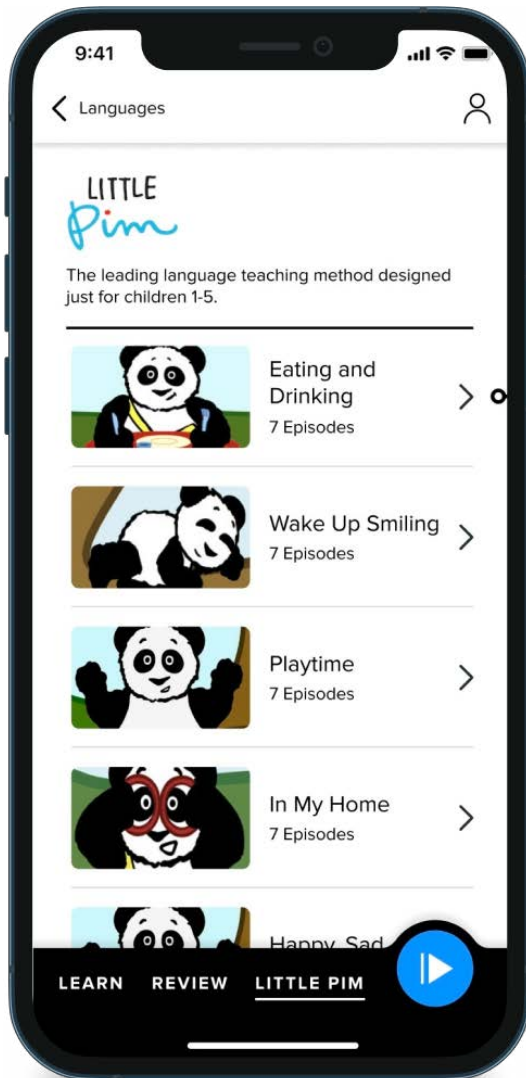

All you need is a library card to sign in and start learning from your mobile device:

Get Started

1. Log into your Mango Languages profile using your library's link.
2. Select one of the 12 Little Pim languages.
3. On Computer: Click "Explore" in the upper black menu. In App: Click "Little Pim" in the lower black menu.
4. Choose a lesson, and begin!

Designed for ages 0-5, Little Pim®'s Entertainment Immersion Method® introduces a new language in a way that builds on a child's natural love of play.

Vibrant animation and short video lessons incorporate words and highly engaging activities that are relevant to a child's daily life, while providing the essential building blocks of a new language.

Little Pim is available in the following languages:

- Arabic
- Chinese (Mandarin)
- French
- German
- Hebrew
- Italian
- Japanese
- Russian
- Spanish
- Korean
- Portuguese
- English/ESL
